The We're in Stitches group, run by a team of volunteers, supported by St Helen's Church, was established in May 2022 and has grown in popularity over time. We have experts and experienced makers within our membership as well as beginner stitchers. We work on our own projects, knitting, crochet, embroidery or other textile techniques. The beauty is that everyone has something to offer and we learn from each other, many new friendships have been created. The group is very sociable, nurturing and inspiring. Whatever you're making, tea and Biscuits and sometimes cake, are on offer as well as great company.

We decided to create a small exhibition to showcase the talent and diversity of our textiles. We meet twice monthly on the first and third Wednesday afternoons of the month. Occasionally we have a sewing Saturday, where there is an opportunity to have a go at something new, or finish a project you've abandoned or are stuck with. There is always an expert on hand to help and guide participants at these events. We hope you enjoy our work and it gives you inspiration. maybe you'd like a new mindful hobby or just have an interest in hand made textiles.
