St Helen's Events

RE-ENCHANTING OUR WORLD: A CS LEWIS AND TOLKIEN QUIET DAY. SATURDAY 11TH JULY – 9.15 a.m. – 3.00 p.m.

We'll explore how we can be inspired by the stories and other writings of CS Lewis and JRR Tolkien, alongside Scripture, to recover wonder and beauty, mystery and longing in these increasingly technological and materialistic times. There will be plenty of opportunity for prayer, and time to attend to those glimpses of eternity that are given to us, both indoors and out.

The day will be led by Andy Swinford. Andy is the author of 'The Practice of Joy: insights from the stories of C S Lewis' and co-author of 'The Christian Tradition in English Literature'. He delivers multimedia presentations and online classes about C S Lewis, as well as leading retreats on the spiritual enrichment to be gained from the writings of the two friends Lewis and Tolkien.

Again, places are limited to about 20, if you'd like to attend please sign up on the sheet at the back of church, email the Parish Office (see below) or contact Andy Smith.

Changing to sustainable church flowers

You may have heard in the news is that churches and cathedrals are being encouraged to stop using floral foam – a single use plastic which releases huge numbers of microplastics into the environment – and to explore more traditional and less environmentally harmful ways of arranging flowers in church. The Sustainable Church Flower Movement is also asking us to use seasonal locally grown flowers and foliage in our displays as commercially grown flowers have a high carbon footprint.

So, your flower arranging team are both excited and a little nervous at finding different ways to 'do the flowers'. You will notice some changes in the style of arrangements and greater use of home-grown foliage and flowers, but we hope that our arrangements will still glorify God and provide a welcome for all who enter the church, as well as being kinder to the planet. Please encourage us as we experiment with new ways of doing things.

INEQE SAFEGUARDING SURVEY

This is to inform you that the INEQE safeguarding surveys are now live and will remain open until **5th August 11:30pm**.

The surveys form an important part of the independent safeguarding audit, and we need as many responses as possible. The more people who take part, the clearer the picture will be of what's working well and what we could do to improve safeguarding in the diocese. You can complete the survey at - <https://ineqe.com/churchofengland/leicester/>

HYMN BOOKS – we have been given a generous donation to buy some more hymn books. If you would find a large print version more helpful, please let Sue know by the end of June so that we can gauge how many to order. Thank you.
