

# St Helen's Church Ashby de la Zouch Churchyard Bingo

Our **Digital**  
Ancestors

*Can you find each of the things below in the churchyard?  
Tick them off when you've found them!*

|                                                   |                                                                                 |                                      |                                                                          |
|---------------------------------------------------|---------------------------------------------------------------------------------|--------------------------------------|--------------------------------------------------------------------------|
| <b>A placename that isn't Ashby</b>               | <b>2 siblings (brother or sister) on the same memorial</b>                      | <b>A blocked doorway</b>             | <b>A first name or surname that starts with the same letter as yours</b> |
| <b>A shield</b>                                   | <b>A memorial made of sandstone (pale orange/yellow and sandy to the touch)</b> | <b>A memorial covered in ivy</b>     | <b>A bird (real or not!)</b>                                             |
| <b>A memorial made of slate (grey and smooth)</b> | <b>A chest tomb (looks like a box!)</b>                                         | <b>Roman numerals (e.g. I, V, L)</b> | <b>The month that you were born in</b>                                   |
| <b>A poem with two lines that rhyme</b>           | <b>Someone's job</b>                                                            | <b>A cross</b>                       | <b>A mason's name on a memorial (look for a surname at the bottom)</b>   |
| <b>A date that starts 19..</b>                    | <b>A picture on a memorial</b>                                                  | <b>A boot scraper</b>                | <b>A husband and wife on the same memorial</b>                           |
